

CELLAR AGENCY DESIGN RENTAL

How do I become a featured designer?

1. Please email us your designs at cellaragency@gmail.com and wait for us to contact you. Make sure you have read our site's general terms and conditions. If you submit your designs, you will acknowledge your knowledge and agreement with them.
2. Send or bring us your items to showcase on our platform. We will take proper pictures of them and list them on our site. We can talk about this if you prefer us to use the pictures you have for your designs.
3. Wait for people to rent your designs and earn money doing it!
